

## Driving Directions to Lehi Park (Peninsula Route)

If using a GPS, the park address is 16000 Empire Grade Road, Santa Cruz.

**NOTE:** To enter Lehi Park, visitors must pass through two gates. Before coming to the park, all drivers must know the four-digit gate code. For more information, click on “Gate Info” at [www.lehipark.org](http://www.lehipark.org).

Route (longer than GPS route but with less windy roads):

1. Take **Highways 85** and **17** south toward Scotts Valley / Santa Cruz.
2. At about 17 miles, exit on **Mt. Hermon Road** (exit 3).
3. Turn **right** at end of the off-ramp.
4. Proceed on Mt. Hermon Road 3.7 miles down into Felton.
5. At the stop sign in Felton, turn **right** onto **Graham Hill Road**.
6. **Immediately** get into the **center** lane and proceed **0.1 miles** on Graham Hill Road.
7. Stay in the center lane, through the traffic light crossing Highway 9.  
Road will become **Felton Empire Road**.
8. On **Felton Empire Road**, drive about **3.7 miles** to the top of the ridge.
9. When the road ends at **Empire Grade Road**, turn **right** at the stop sign.
10. Proceed **8.7 miles**. At the Lockheed fence, do **not** enter the Lockheed property.
11. At the Lockheed fence, you will see the Lehi Park gate on your **right**.
12. Unlock the electronic Empire Grade Gate for Lehi Park:
  - a. Stop your car where you can reach the electronic keypad.
  - b. Enter the four-digit code. Wait for the gate to fully open.
  - c. Drive through the gate. The gate will automatically close behind you.  
Do **NOT** try to keep the gate open. If the gate starts to close, drivers behind you should re-enter the four-digit code.
13. Follow the signs and drive along the dirt road **1.2 miles** into the park.
14. Go past a short section of paved road near a Lockheed gate. Do **not** enter Lockheed property.
15. Continue until you reach the large Lehi Park sign and the second gate.  
If the second gate is locked, open the padlock with the same four-digit code.
16. To exit the park:
  - a. Ensure the second gate is locked.
  - b. Stop your car where you can reach the keypad on the “park side” of the first gate.  
Enter the same four-digit code. Proceed through the gate. The gate will close behind you.
